

# New London County Historical Society Campership

NLCHS is thrilled to partner with The Salvation Army and the Boys and Girls Club of Southeastern, CT to host a fun and exciting summer camp for kids at the Shaw Mansion.

Campers will work together to create an exhibit which will be on display at the Shaw Mansion. The campers will select artifacts, research, and write exhibit labels, curate the objects, and install the exhibit over the course of the program. The goal of the summer camp is to engage students in a project, which connects them to the history of their community.

## *How can you help?*

Please help us by sponsoring summer camp for children from low income families. Your \$125.00 tax deductible donation will go towards sponsoring a week of camp for a child and provide campers with supplies. For more information, please visit [nlchs.org](http://nlchs.org) or contact us at [info@nlchs.org](mailto:info@nlchs.org)
